

AUSTRALIAN LABRADOODLES OF WINDSOR CREEK
PUPPY APPLICATION and PAYMENT PROCESS

Thank you for your interest in our puppies! **Our application process:**

- 1) Please fill in and sign.
- 2) E-mail it to vickityson@comcast.net
- 3) I'll review it and contact you.
- 4) If all are in agreement, we will ask for:

A non-refundable \$500.00 deposit PAYABLE TO: "Walter Tyson" along with a hard copy of this signed application. Your deposit is applied to the adoption fee of \$3000.00 (Plus 6% PA sales tax). When puppies are 1 week old, a payment of \$1,000.00 is due with the final balance due when the puppies are 6 weeks of age. If we cannot provide a puppy for you for any reason, we will defer you to an upcoming litter breeder's choice and apply the deposit you had paid to that particular litter. PLEASE be sure you understand this deposit is NON-REFUNDABLE and can only be transferred as stated. In any litter, we reserve the right to retain any puppy for our breeding program or to sell and/or trade with another Breeder. We reserve the right to change the sire used in any litter to simply improve the litter itself in which case we will notify you that we made that change. Mother Nature is key in breeding and the unforeseen can occur such as the loss of puppies, miscarriages, smaller than expected litters, changes in breeding timing/whelping of the litters and other reproductive issues.

Visitation Policy: Between litters, families who have an approved application and deposit placed on a litter, have the opportunity, if they wish, to schedule visits to our home to visit a parent(s) of their puppy and meet us. No visits are permitted, however, when we have litters here or our females are close to whelping. This policy is in the best interest of current litters and future litters, to respect our time devoted to puppies and

their parents as well as to avoid the inadvertent exposure to diseases, i.e. Parvo and others to our pups. We appreciate your understanding of how we best protect the health of our puppies!

COMMITMENTS TO YOUR PUPPY ~

Please seriously consider the following prior to purchasing a puppy ~

- ✓ Your puppy requires commitment of your time, attention, patience and love. This includes time spent training them. Obedience classes with a good trainer are essential, and we will make suggestions regarding this.
- ✓ The lifespan of a labradoodle is about 15 years so there are various expenses involved long-term.
- ✓ Puppy expenses include heartworm medication, vaccinations and vet health check-ups, supplies and a crate among many other things. Grooming expenses should be considered as well.
- ✓ Proper veterinary care is required throughout their lifetime.

AGREEMENT ~

By signing below, you agree the above information you have listed above is accurate and truthful and that you understand Australian Labradoodles of Windsor Creek reserves the right to refuse to sell a puppy to you. We also reserve the right to retain a puppy from any litter for our breeding program, as a breeder trade or sale as a breeder. We reserve the right to use a different stud for any breeding at our discretion and that decision would not qualify for a refund. By signing this agreement, you are stating you understand all terms in this agreement and paragraph and approve of any decisions we make during this process.

We will promptly contact you by phone requesting your deposit after we have reviewed your application. Puppy deposits may be returned to the applicant/depositor at any time at the discretion of the breeder. Applicants/depositors and breeder all agree that any return of deposit at any time means that any and all verbal or implied agreements to sell a puppy to that depositor/applicant are then terminated.
